

## Bowling Bunch

On Jan 18, 2010 three children's committee members (Lisa Bell, Amy Warren and Lisa Hopper) took 16 children bowling in Savannah, TN. We had a great time; I even heard there were a few strikes made! Those in attendance were: Cody Hopper, Dustin Warren, Hayden Callahan, Nick Mayfield, Kera White, Dillon, Haedyn & Lennon & Jason Bailey, Morgan & MacKenzie Moore, Braden Lott, Laney Kennedy, J.R. Johnson, Tyler Griffin, and Makayla Pickett. After we bowled for awhile, we enjoyed playing games in the arcade. All that bowling and game playing worked up big appetites! We went to Pizza Hut and we all pigged out. One kid ate 13 pieces of pizza! No report on how much the adults ate. We came back very tired and full. Thanks to the church for making this trip possible.

Lisa Hopper

## RA Bowling Trip

On January 2, 2010 Cathy Huggins took the R.A. boys bowling at Jackson Family Bowling and Recreation Center. Those who attended were Nickolas Mayfield, Cody Hopper, Dustin Warren, Hayden Callahan, Cathy Huggins, Lisa Hopper, and Amy Warren. Some bowlers were amateurs while others should be on a church league! This Bowling Trip was a treat for the R.A.'s for raising money for the Lottie Moon Christmas Offering. All together they raised \$100 to aid Southern Baptist mission efforts overseas. Thanks to Ms. Cathy, each boy now knows who Lottie Moon was and why we collect this offering.

Amy Warren

*All nations whom Thou hast made shall come and worship before thee, O Lord; and shall glorify thy name. Psalm 86:9 KJV*

## Office Hours

Dr. Huggins Office hours are changing due to his class load changing. Wednesdays will stay the same. That being 4:00 – 7:00 P.M. He will no longer be in his office on Tuesday. Instead he will be there on Monday 2:00 till 5:00 P.M. On Monday he will show up and check his messages and email and if no one is scheduled to be there he will go out visiting. If you want to make sure and catch him leave him a message or email.

## February 20<sup>th</sup> Children's Missions Day

We would like to celebrate Children's Missions Day. We hope to help someone in our church with activities that they are not able to do for themselves. This would be for grades 4-6. Lower grades will meet at the church and make cards for the sick and shut-ins. If weather permits, we would like to rake leaves for someone and work in the yard. More details later.

## The Princess and the Frog

On Monday, January 18th, Bob Wadley and four youth- Shelby Johnson, Brandy Shrewsbury, Katie Warren, and Savannah Warren- took a trip to Jackson. The group left the church at about 12:00 noon and headed to Jackson. The outing began with a lunch at Chic-Fil-A. While there everyone enjoyed a great lunch, several laughs, and had to work hard not to play on the playground. Following lunch was a trip to the movies to see the Princess and the Frog. The movie was very funny as well as sad towards the end when everyone's favorite character- the firefly- died. I believe a few tears were shed during this scene. Once we got Bob's eyes dried we began heading home, but did make a pit stop at McDonald's for a McFlurry- a pick me up from the sad part of the movie. This gave everyone a huge burst of energy which led to endless singing with the radio all the way home. This does include Bob. The trip was very fun for all of us and we really enjoyed it. Special thanks go to Bob who was brave enough to take us.

Savannah Warren

“Is your heart right? Then be humble and watchful. You are not yet in heaven, but in the world. You are in the body. The devil is near you, and never sleeps. Oh, keep your heart with all diligence! Watch and pray lest you fall into temptation. Ask Christ Himself to keep your heart for you. Ask Him to dwell in it, and reign in it, and garrison it, and to put down every enemy under His feet.” ~ **J.C. Ryle**

Trust in the LORD with all your heart. And lean not on your own understanding.

In all your ways acknowledge Him. And He shall direct (al) your paths. (Proverbs 3:5-6 NKJV)

A shorebird known as a bar-tailed godwit was recently found to have flown nonstop for nine days, no food or water, from Alaska to New Zealand for a total of 7,145 miles. It is the longest continuous flight bird migration ever measured according to the biologists who followed the flight using satellite tracking. While seeking favorable winds at elevations between 1.85 miles and 2.5 miles the female godwit flew, according to satellite data, at an average speed of 34.8 miles an hour.

There are many God-given attributes that allow birds such as this to perform amazing feats of athletic prowess and endurance. The muscles of the breast of all migratory birds are composed of “dark” meat. This indicates that there is a molecule known as myoglobin, much like the hemoglobin of our blood that allows us to carry oxygen to our tissues, and a very good blood supply. The myoglobin allows the muscle to store oxygen for use when it is most needed. The contour of the body in flight makes the bird glide (aerodynamic) through the air with little resistance; they have hollow bones which reduces weight that must be kept aloft; feathers keep them warm at high altitudes; fat is easily made while feeding and used for energy while flying long distances; they know to seek favorable wind currents; they are born with the ability to navigate by the sun in daylight and the stars by night; they are able to sleep by allowing one side of the brain to shut down at a time (known as half-brain sleep).

In addition the air they breathe circles through the lungs, rather than flowing into and out of the lungs along the same path as in humans, due to a series of air sacs. This makes sure that the air entering the lungs, from which oxygen is extracted, is always “fresh”.

Jesus told us that even Solomon in all his splendor was not arrayed as one of the birds that God created (a Huggins paraphrase from Matt. 6:29). God has indeed prepared His creatures for what they will face in the life He has granted them. The Bible also tells us the purpose of the stars was given for light, a calendar and navigational purposes (Gen. 1:14) and so it is both for humans and His other creatures that have need of such guidance. As His children we should realize that not only does God provide a means to guide us physically across oceans, deserts and mountains by such means as celestial bodies but He also desperately desires to lead us through the spiritual barriers of life via our Bible study, our prayer time and our everyday interaction with the Holy Spirit. We too have been imbued with God’s gifts for sustenance in this life: physically, mentally and even spiritually if we only choose to listen.

Your Pastor

Dr. H

### ***R.A.’s Health kits***

Last Wed. night Cathy Huggins’ class of 4-6 grade boys made health kits for victims of disasters. They may be sent to Haiti. They used soap, toothbrushes, wash rags and etc... It was nice to pack love into these kits. We hope that someone will feel the love of God when they use their kit. I hope we concentrate on missions this whole month.

### ***Japanese Tea Party***

Acteens received a taste of Oriental culture at the Japanese Tea Party sponsored by the Madison Chester Association WMU on January 16. The event was held at Union University Coburn dining Hall with 9 girls and 6 adults attending. Jimmy Lynn Phillips, Association WMU Director welcomed the girls and encouraged them to share the good news of Acteens with all their friends. Ramona Mercer, retired missionary from Japan, came dressed in her formal kimono and shared her experiences from 38 years of ministry. She led the girls in a traditional Tea Ceremony. The girls drank green tea and enjoyed the solitude of the moment. Ramona’s daughter, Darlene Tanner taught origami as she shared her experiences as a child growing up in Japan. Patricia Smith, GA from East Union Baptist helped the girls get excited about the origami with her paper folding talent. Savannah Warren, state Acteen Panelist, led the group in a prayer for the missionaries having birthdays and for the people of Haiti. The event closed with makeup techniques as Andrea Young, Hardin Association WMU Director, showed everyone the proper way to wear makeup as a Christian young lady. The girls left with samples of lipstick, eye shadow and a host of goodies from Mary Kay cosmetics.

### ***Youth Road Trip to See Saul~2~Paul***

On Sunday, January 24<sup>th</sup>, a group of seven from Unity Baptist Church traveled to Friendship Baptist Church of Medina to see a concert presented by the Christian Praise Band Saul~2~Paul. We all had a great time singing, clapping our hands and praising The LORD. After all, it is not the method but the message that’s important. After the concert where we were filled with Spiritual Food, we stopped at “Mickey-Dees” for some physical food. Those who participated were Savannah Warren, Katie Warren, Shelby Johnson, Brandy Shrewsbury, Taylor Ross, Jamie Garner and Bob Wadley.
